Manufacturing Success: Creating a Culture for Growth

Jerry Jendusa and Paul Schulls helped take EMTEQ from a small start-up business to global player in the aviation industry. Learn about how to get your company "unstuck" through the following:

- Determine your vision, mission, and purpose
- Empower your employees and have them buy into your business
- Adapt to growth and share the journey

Featuring

Jerry Jendusa

*Co-Founder/Partner of STUCK, LLC
and former President/CEO of EMTEQ Inc.*

Paul Schulls
